Act Naturally Buck Owens

```
|A      |D      |A      |E      |
(Intro)

A                                       D
 They're          gonna put me in the  movies
A                                      E
They're gonna make a big star out of  me
       A                                        D
We'll  make a film about a man that's sad and  lonely
     A                       E             A
And  all I have to do is       act natural ly

CHORUS ====================================
         E                          A
Well, I  bet you I'm gonna be a  big star
       E                            A
Might  win an Oscar you can never  tell
     E                           A
The  movie's gonna make   me a  big star,
        B                        E
'Cause  I can play the part so  well

-------------------------------------
        A                                 D
Well, I hope you come and see me in the movies
A                                     E
Then I'll know that you will plainly see
    A                                 D
The biggest fool that ever hit the big time
    A                   E               A
And all I have to do is    act natural ly

(Instrumental)----------------------------
|A      |D      |A      |E      |
|A      |E      |A      |       |
                                                  D
We'll make a film about a man that's sad and lonely
    A                              E
And Begging down upon his bended knee
     A                                   D
I'll play the part but I won't need rehearsing
A                   E               A
All I have to do is    act natural ly
