

Garden Song "inch by inch" Song performed by John Denver BY Phoebe Bridgers

D G/D D G A D

Inch by inch, row by row, gonna make this garden grow.

G A D G/B A

All it takes is a rake and a hoe and a piece of fertile ground.

D G/D D G A D

Inch by inch, row by row, Someone bless these seeds I sow.

G A D G/B A D

Someone warm them from below, 'til the rain comes tumbling down.

D G/D D G A D

Pulling weeds and picking stones, man is made of dreams and bones.

G A D G/B A

Feel the need to grow my own 'cause the time is close at hand.

D G/D D G A D

Grain for grain, sun and rain, find my way in nature's chain,

G A D G/B A D

tune my body and my brain to the music from the land.

D G/D D G A D

Plant your rows straight and long, temper them with prayer and song.

G A D G/B A

Mother Earth will make you strong if you give her love and care.

D G/D D G A D

Old crow watching hungrily, from his perch in yonder tree.

G A D G/B A D

In my garden I'm as free as that feathered thief up there.

D G/D D G A D

Inch by inch, row by row, gonna make this garden grow.

G A D G/B A

All it takes is a rake and a hoe and a piece of fertile ground.

D G/D D G A D

Inch by inch, row by row, Someone bless these seeds I sow.

G A D G/B A D

Someone warm them from below, 'til the rain comes tumbling down..

G/D G/B
