FEEL LIKE HELL TODAY COOPER ALAN

[Intro]

D A D

[Verse]

D

I got a spam call at 5 am

G

My damn trash man missed my bin

A

And my neighbor's dog did his business

G D

On my fresh mowed lawn again

D

I was tryna get to work on time

G

But the mail man blocked my drive

A

And douchebag Jim parked his Tesla

G D

In that spot he knows is mine

G

Some days people just suck

A

But I got my mind made up

[Chorus]

D

G

Ain't no asshole gonna make me feel like hell today

A **G** **D**
No POS gonna take a piss on my parade

D
I got too much life to live

G
And too few shits to give

A **G** **D**
Ain't no asshole gonna make me feel like hell today

[Verse]

D
Even if my ex goes 'round lying

G
Boss man tries to keep me all nighting

A
Karen in the comments keeps typing

G **A**
I'll be doing just fine

[Chorus]

D **G**
Ain't no asshole gonna make me feel like hell today

A **G** **D**
No POS gonna take a piss on my parade

D
I got too much life to live

G
And too few shits to give

A **G** **D**
Ain't no asshole gonna make me feel like hell today

[Instrumental/Solo]

[Break]

If you got a job that sucks

G
And if the tax man takes too much

Ain't no asshole gonna make me feel like hell today
