G Am D D7 G Am D D7

Four strong winds that blow lonely  
Seven seas that run high  
All those things that don't change come what may  
But our good times are all gone  
And I'm bound for moving on  
I'll look for you if I'm ever back this way

Think I'll go out to Alberta  
Weather's good there in the fall  
I got some friends that I can go to working for  
Still I wish you'd change your mind  
If I asked you one more time  
But we've been through that a hundred times or more

Four strong winds that blow lonely  
Seven seas that run high  
All those things that don't change come what may

**G**                          **Am**  
But our good times are all gone  
          **D**          **D7**          **G**  
And I'm bound for moving on  
**D**  **G**  **Am**                          **C**                          **D**  **G**  **D7**  
I'll look for you if I'm ever back this way

**G**                          **Am**  
If I get there before the snow flies  
          **D**          **D7**          **G**  
And if things are goin' good  
  **Am**                          **D**  **D7**  
You could meet me if I sent you down the fare  
          **G**                          **Am**  
But by then it would be winter  
  **D**          **D7**          **G**  
There ain't too much for you to do  
**D**  **G**  **Am**                          **C**                          **D**  **G**  **D7**  
And those winds sure can blow cold way out there

**G**                          **Am**  
Four strong winds that blow lonely  
          **D**  **D7**          **G**  
Seven seas that run high  
  **Am**                          **D**  **D7**  
All those things that don't change come what may  
          **G**                          **Am**  
But our good times are all gone  
          **D**          **D7**          **G**  
And I'm bound for moving on  
**D**  **G**  **Am**                          **C**                          **D**  **G**  **D7**  
I'll look for you if I'm ever back this way
