

**C**                          **D**  
she's on both sides of the fence.

[Instrumental]

**G**  **C**  **D**  **Em** **D** **C**  **G**  **D**

[Chorus]

**Em**                          **C**  
It needs no explanation,  
**Em**                                  **C**  
Cause it all makes perfect sense.  
**G**                  **D**                          **Em**  **D**  
For when it comes down to temptation,  
                  **C**                          **D**  
she's on both sides of the fence.

[Verse 3]

**G**                          **C**  
She's anything but typical,  
          **D**                  **Em**  **D**  
She's so unpredictable.  
          **C**                          **G**                          **D**  
Oh, but even at her worst she ain't that bad.  
          **G**                          **C**  
She's as real as real can be,  
          **D**                  **Em**  **D**  
And she's every fantasy.  
          **C**                          **D**                          **Em**  
Lord, she's every lover that I've ever had.  
  
          **C**                          **D**                          **G**  **C**  **D**  
And she's every lover that I've never had.
