The Monster Mash by Bobby "Boris" Pickett

```
  G                                    Em
```
I was working in the lab late one night ,   When my eyes beheld an eerie sight

```
   Am7                              D7
```
For my monster from his slab began to rise   And suddenly to my surprise

```
    G  (CHORUS)                         Em
```
[He did the mash]   He did the monster mash [The monster mash]   It was a graveyard smash

```
       C                               D7
```
[He did the mash]   It caught on in a flash   [He did the mash]   He did the monster mash

```
   G                            Em
```
From my laboratory in the castle east To the master bedroom where the vampires feast

```
   Am7                                  D7
```
The ghouls all came from their humble abodes To get a jolt from my electrodes

CHORUS

```
   C            D7                              C           D7
```
The zombies were having fun, the party had just begun The guests included Wolf Man, Dracula and his son

```
   G                                   Em
```
The scene was rockin', all were digging the sounds Igor on chains, backed by his baying hounds

```
   Am7                         D7
```
The Coffin-Bangers were about to arrive With their vocal group, "The Crypt-Kicker Five"

CHORUS

```
G                                      Em
```
Out from his coffin, Drac's voice did ring Seems he was troubled by just one thing

```
   Am7                              D7
```
He opened the lid and shook his fist and said   "Whatever happened to my Transylvania twist?"

G (CHORUS)   Em

[He did the mash]   He did the monster mash [The monster mash]   It was a graveyard
smash

          C   D7

[He did the mash]   It caught on in a flash   [He did the mash]   He did the monster mash

     G

Now everything's cool, Drac's a part of the band

      Em

And my monster mash is the hit of the land

     Am7

For you, the living, this mash was meant too

        D7

When you get to my door, tell them Boris sent you

          G

[Then you can mash]   Then you can monster mash

          Em

[The monster mash]   And do my graveyard smash

           C

[Then you can mash]   You'll catch on in a flash

          D7

[Then you can mash]   Then you can monster mash
