|C                 |Eb              F               |
  After midnight,    were gonna let it all hang
|C            |C               |
 down.
|C                 |Eb              F               |
  After midnight,     were gonna chug-a-lug and
|C            |C                  |
 shout.                 Were gonna
|C                         |F                         |
 stimulate some action.Were gonna get some satisfaction.
|F                          |
 Were gonna find out what it is all
|G             |G                    |
 about.  (It's all about  It's all about)
|C                 |Eb          F               |

|C                      |C                          |
 cream.  (after midnight,  after midnight)  Were gonna
|C                         |
 cause talk and suspicion; Were
|F               |
 gonna give an exhibition.
|F                      |
 Were gonna find out what it is
 |G                             |
  all about.  (what it is all about
|G                   |
    what it is all about)
|C                 |Eb          F             |
  After midnight,   were gonna let it all hang
|C                           |
 down.  (Let it all hang down,
