

Europa

Santana (also Gato Barbieri on sax)

(*Maj7 chord works too)

(Guitar start melody)

```

| | : Fm          | Bb7          | Eb*          |          | Ab*          |
| Dm          | G7          | Cm          |          |              |
|              |              |              |          | (break)      |
| Fm          | Bb7          | Eb*          |          | Ab*          |
| Dm          | G7          | C           |          |              |
|              |              |              |          |              | : | | (2x)
|              |              |              |          | (break)      |

```

(Chorus Guitar)

```

| Fm          | Bb7          | Eb*          |          | Ab*          |
| Dm          | G7          | Cm          |          |              |
|              |              |              |          | (break)      |
| Fm          | Bb7          | Eb*          |          | Ab*          |
| Dm          | G7          | C           |          |              |

```

(overdrive guitar)

```

| Fm          | Bb7          | Eb*          |          | Ab*          |
| Dm          | G7          | Cm          |          | Fm          |
| Cm

```
