[Verse 2]

**D** **Cadd9**  
Dark and silent, late last night I think I  
**G** **G/F#** **Em** **A7** **A#dim**  
might have heard the highway calling  
**Bm** **G** **A7sus4** **A7**  
--- geese in flight and dogs that bite.  
**G** **D/F#** **Esus4** **E**  
And signs that might be omens say I'm go - ing,  
**A7sus4** **A7**  
I'm going,  
**D** **Bm** **Em7** **A7** **D** \*Hook\*  
I'm goin' to Carolina in my mind.

**G** **A7** **Bm**  
With a holy host of others standing round me  
**F#m7** **Em7** **G** **A7**  
Still I'm on the dark side of the moon.  
**Cadd9** **G/B** **D**  
And it seems like it goes on like this forever.  
**Cadd9** **G/B** **Em7**  
You must forgive me  
**A7** **D** **Bm** **Em7** **A7** **D** \*Hook\*  
if I'm up and gone to Carolina in my mind.

[Chorus]

**D** **G** **G/F#** **Em** **A7**
