

LITTLE WING

[Verse 1]

Now she's walking through the clouds  
With a circus mind that's running wild  
Butterflies and zebras and moonbeams, and fairy tales  
All she ever thinks about is

Riding with the wind

(It's the same chords through the whole song)

[Verse 2]

When I'm sad she comes to me  
With a thousand smiles she gives to me free  
It's alright, it's alright she says  
Take anything you want from me  
Anything

[Outro]

Fly little wing...
