[Verse 1]

```
          C          Am
Perhaps love is like a resting place
          F          G
A shelter from the storm
          C          Am
It exists to give you comfort
          Dm          G
It is there to keep you warm
          Em          Am
And in those times of trouble
          F          G
When you are most alone
          Dm          G          C          G
The memory of love will bring you home
```

[Verse 2]

```
          C          Am
Perhaps love is like a window
          F          G
Perhaps an open door
          C          Am
It invites you to come closer
          Dm          G
It wants to show you more
          Em          Am
And even if you lose yourself
          F          G
And don't know what to do
```
